CONSENT AGENDA

1. Minutes of Regular Session Minutes from January 25, 2018
Minutes were looked over and a motion to approve was made by Committee member Vanessa Navarrette, second by Committee member Valerie Garcia-Denogean, motion carries.

NEW BUSINESS

- A. Discussion of Possible Development of a Multi-General Center
Todd Pryor informed everyone that the drawings for the Multi-General Center are not what was explained in the last meeting to the architect. There was a discussion between all in attendance. Everyone was in agreement that the drawings are nothing like was discussed in the meeting from January 25th meeting. Todd will contact the engineers and try to do a face to face meeting. If not, it will be a conference call which will include some of the committee members.
